

# Lavatory Waste Hose

ThermoHose® THU-SD

THU-SD is a leak-proof line of heat-sealed urethane hose that is fitted with heavy-duty, cut-resistant custom cuffs specially designed for the airline industry.

Available in two styles, the gravity flow version features a Nylon helix that retains its shape after being crushed. THU-SD is also offered with a hard-drawn wire helix for vacuum-assist applications.

Manufactured with thermoplastic urethane material, THU-SD's features include mold and mildew inhibitors, and UV stabilization.
