

# Lavatory Waste Hose

- THU is a leak-proof line of heat-sealed urethane hose that is fitted with heavy-duty, cut-resistant custom cuffs specially designed for the airline industry.
- Available in two styles, the gravity flow version features a Nylon helix that retains its shape after being crushed. THU is also offered with a hard-drawn wire helix for vacuum-assist applications.
- Manufactured with ABC ThermoHose® construction method using thermoplastic urethane material, THU's features include mold and mildew inhibitors, and UV stabilization with black hose.
